# 2023 ILLINI GOLF CLASSIC

The Illini Golf Classic benefits the Illinois men's golf program in addition to the Illini and charitable mission of ICON Collective.

## WORDS FROM HEAD GOLF COACH MIKE SMALL

In my 23 years as the head golf coach at the University of Illinois, the landscape of college golf and our program has changed immensely. One thing that has stayed the same though is this program's incredible support from alumni, fans and donors. As we approach the 21st Annual Illini Golf Classic, I can't stress enough how grateful we are for your support and commitment to making the Illini Golf Classic a great success. Although ICON Collective is serving as the official host this year, the positive impact of the event on the men's golf program will still remain. Through your past participation, sponsorship and auction involvement, our golf team has been afforded the

opportunity to play and compete on some of the best courses and against some of the top teams in the country. This outing also helps the success of our team by outfitting our first-class Demirjian Indoor and Lauritsen/Wohlers Outdoor Golf Practice Facilities with premier equipment and training aids.

Illini greets Steve Stricker, D.A. Points, Luke Guthrie, Thomas Pieters, Brian Campbell, Thomas Detry, Nick Hardy, Dylan Meyer, Michael Feagles and Adrien Dumont de Chassart have become household names on their respective tours, and Hardy became the most recent Illini to earn a victory on the PGA Tour. We appreciate their continued faithfulness and support to our program and University!

We encourage you to please mark your calendar and plan on attending the 2023 Illini Golf Classic. Invite your friends, family, clients and employees to join in this year's festivities. We want to continue to make this a special occasion and with your participation, we can make the 2023 Illini Golf Classic another one to remember.

Best Wishes,

Mike Small  
Men's Golf Coach

## ABOUT ICON COLLECTIVE

On July 1, 2021, groundbreaking legislation went into effect in the state of Illinois, allowing student-athletes to monetize their name-image-likeness (NIL). Over the next 18 months, state legislation and guidance from the NCAA evolved several times, making it clear that the University of Illinois needed a full-time, professional organization to provide meaningful NIL opportunities to Illini student-athletes.

In November 2022, ICON Collective, Inc. was officially formed by Kathleen Knight, former Illini swimming letterwinner and development officer for the University of Illinois Division of Intercollegiate Athletics (DIA), to address this growing need.

The core function of ICON (Illini for Charitable Opportunities and Networking) is to secure charitable contributions and offer meaningful NIL partnerships to Fighting Illini student-athletes for their participation in community service initiatives in and around Champaign-Urbana and beyond. Additionally, ICON equips Illinois student-athletes with meaningful life and entrepreneurial skills that will positively impact their lives long after their time at the University of Illinois.

In the first six months of business, ICON Collective already contracted over 25 Illini student-athletes across multiple sport programs, completing more than 100 hours of meaningful community service activities in the local Champaign-Urbana community. ICON expects the number of student-athletes, sport programs and community partners they are engaged with to grow steadily each month.

ICON onboarded Jackie Szymoniak to the team in February 2022. Szymoniak, also a former employee of the DIA, brings extensive experience to fundraising and community engagement efforts, highlighted by her spearheading the Illini Golf Classic with Head Men's Golf Coach Mike Small for over 10 years.

Soon after inception, it became evident ICON would need to carry out high-level, creative efforts to generate financial support from private donors and local businesses. Through Jackie's leadership, a strategic plan was put in place to allow the Illini Men's Golf Program, Illinois Athletics and ICON to work together and generate meaningful financial resources with multiple beneficiaries.

Moving forward, Coach Small and the Men's Golf Program will continue to benefit from the financial resources that the fundraiser event has provided for the last 20 years. In addition to that, a significant amount of the proceeds from generous donors will support the continued growth of this year's new event host, ICON Collective.

At the 2023 Illini Golf Classic, guests will be sure to experience a first-class event at the historic Olympia Fields Country Club, highlighted by an even broader array of Illini head coaches, Illini golf professionals, past and present Illini greats, and so many fellow alumni and supporters. We have been challenged to make this the best Illini Golf Classic yet, and with your support we are confident it will be. We hope to see you in September!

## THE ICON IMPACT

*"It allows players to stay in school, graduate, move towards their degree, and do a lot of great things that can hopefully improve their draft stock from a year ago. Many great things going on with ICON Collective."*

**-Bret Bielema, Illinois Head Football Coach**

ICON's core mission revolves around creating partnerships with non-profit organizations locally, regionally and nationally, to pair Illini student-athletes with important charitable and educational initiatives. Current community partners include, but are not limited to, the Stephens Family YMCA, Don Moyer Boys & Girls Club, Crime Stoppers, First String, DREAM, Eastern Illinois Foodbank, and local elementary and middle schools.

*"At Jefferson, we really enjoyed partnering with ICON and Illinois Athletics to bring our students an experience unlike any other. Their visit allowed our students to meet collegiate athletes and work with them both on academic and enrichment-based activities in small groups. Having them visit our school modeled what it may be like to not just participate in collegiate athletics, but also to engage academically and give back to their community."*

**-Melissa Kearns, Assistant Principal at Jefferson Middle School**
